K2K PARENT INVOLVEMENT

Every year at K2K we take on the challenge of mounting a full-scale theatre production using student actors and parent volunteers. As you can see below, there are many areas of expertise and interest which go into a theatre production. We invite you, our K2K parents and families, to share your unique and wonderful talents throughout the year! Each year we are encouraged by the number of individuals who become involved and share life together through this exciting time.

Please let us know if you are interested in any of the following areas:

- Small group leading
- Special Event set up
- Food preparation, serving
- Decorating
- Phone calling
- Costumes
- Sets (construction, painting)
- Ushering
- Make-Up
- Hair

Parents are NOT allowed to enter the student areas – unless authorized to do so with a staff person.

Our weekly volunteers are screened, trained and a part of our K2K Staff. This is for the safety of our students, families and staff. We appreciate your cooperation in this area.

K2K STUDENT AUDITIONS

A few thoughts from Brian, Artistic Director regarding auditions and casting...

Student auditions are a part of K2K Productions to allow us the opportunity to determine the best role for everyone. Information on what to prepare for auditions will be available to the students once the program begins.

Our desire is that every student be given the opportunity to share a bit of themselves in their audition. Auditions are created to be fun, challenging and are for some a new experience. This process allows us to meet your child individually and consider their skills, ability, confidence and willingness to learn and take direction. We hope every student can walk away proud of what they have prepared and accomplished. We only want to encourage them through the entire process.

Some students choose to not sing, or express their interest to only work behind-the-scenes. This is valuable for us to know and understand. An audition time will be spent discussing these options.

In selecting a cast, lead roles are sometimes seen as “the ultimate goal”...we do not agree. Students are placed in a variety of roles and our hope is that each and every one of them will make the very best of their opportunity. A lead role in a previous year does NOT guarantee a lead role in the future. Our intention is to create opportunities for students to showcase their abilities, no matter what role they are given.

As you enter this season with your student, I encourage you to *only consider* how you might cheer and encourage your child before, during and after an audition. Each one of our students is richly blessed – we desire to share these gifts with integrity! ~Brian

Audition dates and times to choose from:

Monday October 23, 7-9pm and Saturday October 28, 9-5pm
